Grab and Go Design

5 Year warranty
Battery or Mains

Six Sigma and LEAN | Machine instructions | Equipment marking
Cable and Wire marking | Warehouse labelling | Barcodes
Asset marking | Health and Safety

LOBO - Designed for where it's needed!

The LOBO is a new kind of labelling system. The keyboard is full sized – no small buttons to push, intuitive function keys – no complex menus, all in one supply cartridges – no messy, separate ribbon and tape, battery and mains power – use it anywhere, prints from 12 to 50mm – ideal for office and industrial applications. With over 1200 built in symbols and over 25 Industrial quality materials. From filing cabinets to high temperature pipe marking – No Problem.
It even connects and prints from your PC – No Problem.

LOBO™

With the unique LOBO you can easily create all of the below labels!

LOBO CASSETTE QUALITIES:

Premium Vinyl (PRE) - Premium vinyl for indoor and outdoor use, resists mild chemicals, water and UV light.

Hightack Polyester ESD (HPET) - High strength adhesive and high temperature - ideal for machine plates and equipment labels.

LN2 Poly TM (LPT) - Extreme low temperature - ideal for laboratory labelling.

Wire-Wraps (SLWW) - Self laminating cable wraps - perfect for cable ID - durable and colour coded.

Shrink Tubes (KR) - 3:1 shrink tubing - perfect for general cable identification.
